The results are greater discounts and more reliable delivery.

We handle over 17 billion pieces of mail a year. We are the 2nd largest mailer in the world, only behind the U.S..

Presort Services means at your service, every step of the way.

We guide you, streamline the process and help maximize efficiencies. Depending on your needs, we can easily scale up or down. We even provide you a local Client Service Manager to answer all your questions and keep you informed.
